FIRE ON BROADWAY.

STINNEY HALL.
Miss Eppison gave her fifth recital at this hall last night. The audience, although not as large as so fine an artist has a right to expect, was a thoroughly musical and appreciative one. The programme was as follows—*Sarabande*, de la suite en Re mineur, J. S. Bach; *Bourrée*, minor, J. S. Bach; *Gavotte*, D major, J. S. Bach; *Gigue*, D minor, Haussler; *Menut*, Mozart; *Polonoise* Nicaise; *Häuber*; *Les Paupiettes* (Brahms); *La mère*, from *Le prophète* de Meyerbeer; *Liszt*: *Dances Hongroises*, No. 3; F major; No. 7, F sharp minor; *Brahms*; *Mazurka*; *Leschetzky*; *Valse*, A flat, op. 27; *Tschakowsky*; *Saitarello*; *Stephen Heller*; *Galo* (Clementi).

The programme, although becoming as it proceeded more interesting, perhaps, to the ordinary listener, to the musician perceptively weakened as it neared its end. The "Dances Hongroises" of Brahms were learned by heart, and the audience heard the dancer's program, cologne, which seemed to lack something last night in spite of the fire and water to the stock and fixtures, the total value of which is at present unknown.

THE NEW CONEY ISLAND RAILROAD.

The Brooklyn Common Council yesterday adopted the report of its Committee on Railroads authorizing the route for the New York and Manhattan Beach Railroad Company. The road will run between Vanderbilt Avenue and North Fifteenth Street to Huntington Avenue, and North Sixteenth Street to the beach street. The company is required to pay an adequate compensation for private property taken, and in case of non-agreement with the owners to select an appraiser.
